

Aerohead concentrates on improving factory O.E.M. cylinder heads for the budget oriented engine builder that is looking for a high quality product. The reconditioned heads come assembled with a "like new" appearance and quality, with all new Aeromaxx parts installed and a milled deck surface. These heads have outstanding features that include premium one-piece, stainless steel, high flow valves, heat treated & machined steel retainers and valve locks, seals, bronze wall valve guides, 3 angle valve job, and heavy duty valve springs. All heads accept their respective stock equipment. **MUST HAVE CAM SPECS WHEN ORDERING.**
